finally found her place next to
another in a lovely constellation,
where we will sparkle in the heavens

Two souls with but a single thought,
two hearts that beat as one.

Love is like an eternal flame, once it
is lit, it will continue to burn for all
time. – Kamila

Love is the path to the heart that
knows its own way.

it's the strength and beauty that
brings music to our souls.

Where ever we will go – we will go
with all our heart.

The heart of marriage is memories.

Love is a moment that lasts forever..

Today, tomorrow, forever....
